

S/N 09/704,196

Response to Office Action Dated 04/01/2005

REMARKS

A review of the claims indicates that:

- A) Dependent claims 5, 14, and 16 remain in their original form.
- B) Claims 1-4, 6-11, 15, and 39-44 are currently amended.
- C) Claims 12, 13, 17-38, and 45 are canceled.
- D) Claims 1-11, 14-16, and 39-44 remain pending.

In view of the following remarks, Applicant respectfully requests reconsideration of the rejected claims.

The Advisory Action of 9/14/05 implied that claims 39-44, as amended above, would overcome the previously cited prior art, but would require further search and consideration.

In addition, claims 1-11, 14-16 have been amended to more clearly recite elements that distinguish Applicant's techniques over the cited art.

Reconsideration and allowance of all claims is respectfully requested.

Respectfully Submitted,

Dated: 10/3/05
